Work Experience

Koshalyam Learning Solutions Pvt Ltd, Indore

Full Stack Web Development Intern (On-site)

Indore
June 2026 - July 2026

- Worked as a **Full Stack Web Development Intern** on the company's own web products, contributing across frontend, backend, and database development.
- Developed and enhanced features for a **Student Community platform**, working with **Next.js**, **Express.js**, **PostgreSQL**, and **Prisma ORM**.
- Contributed to the development and deployment of multiple web applications, including a **Student Management System**, **Community Platform**, **Digital Certification Distribution System**, and **AI Companion**.

Projects

Hotel and Restaurant Management System

React JS, Tailwind CSS, Express JS, MongoDB

- Developed a web-based management application for handling hotel and restaurant operations.
- Implemented frontend and backend functionality using the MERN stack.
- Designed database-driven features for managing application data.

Portfolio

React, Tailwind CSS, Framer Motion

- Developed a responsive personal portfolio website to showcase projects, technical skills, and work.
- Built interactive UI components and animations using React.js, Tailwind CSS, and Framer Motion.
- Deployed the website for online access.

Connect US

HTML, CSS, JS, PHP, MySQL

- Developed a social media web application that enables users to connect and interact with others.
- Implemented frontend functionality using HTML, CSS, and JavaScript.
- Built backend functionality and data storage using PHP and MySQL.
